Brief note

As part of the community activity of Sir. C.R. Reddy College for women Community cell and Unnat Bharat Abhiyan an awareness programme on “Deworming” were organized in denduluru adopted village.

Grama Panchayat Secretary P.Sunitha Rao and Panchayat staff, community cell members P.Praveen, K.Sirisha, UBA coordinator A.Jyothi and college students Participated in this Programme.

Outcome of the program

- Deworming programs aim to reduce the prevalence of parasitic infections, particularly in regions with high rates of infestation.
- Positive outcomes typically include improved overall health, decreased transmission of parasites, and enhanced cognitive development, especially in children.
- Monitoring infection rates and assessing the impact on community well-being are key indicators of program success.

Report of the Activity:

Sir CR Reddy College for Women Community Cell and UBA was started Deworming Awareness Program and Distribution of tablets at Denduluru Village on 3-5-2023 at 10.30 am in collaboration with Gram Panchayat.

Grama Panchayat Secretary P.Sunitha Rao said as for official data more than 836 million children are at risk of parasitic worm infections worldwide. According to the WHO 241 million children between the ages of 1 and 14 years are at risk of parasitic intestinal worms in India. Deworming has no serious side effects. "But it can cause nausea and vomiting if a child and adult has worms. The medicine Albendazole disrupts the worms, which leads to uneasiness in the stomach.

Albendazole tablets were distributed door to door by college staff and students panchayat staff in Denduluru village.

Grama Panchayat Secretary P.Sunitha Rao and Panchayat staff, community cell members P.Praveen, K.Sirisha, UBA coordinator A.Jyothi and college students participated in this Programme.
