BRIEF NOTE

An awareness programme was conducted at Pathebad Raithu Bazaar in Eluru as a part of the environment and hygiene, for farmers and traders to educate regarding the dangers of dumping rotten and spoiled vegetables near the premises of raithu bazaar.

We also explained them about how to protect themselves from various diseases by keeping them away from uninhabited areas.

Commerce Lecturers P.Praveen, B.Nirmala and students were participated in this awareness programme.

Outcomes

- ❖ With such awareness programs people can be protected from various diseases.
- ❖ People can be protected from cattle attack in Rythu Bazaar premises.

Report of the Activity:

An awareness programme was conducted at Pathebad Raithu Bazaar in Eluru as a part of the environment and hygiene, for farmers and traders to educate regarding the dangers of dumping rotten and spoiled vegetables near the premises of raithu bazaar.

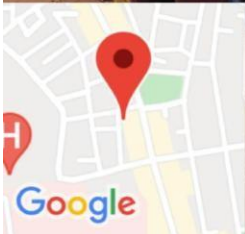

Commerce Lecturers P.Praveen, B.Nirmala and students were participated in this awareness programme.

B.Nirmala said to traders maintaining personal hygiene and sanitation is important for several reasons such as personal, social, psychological, health, etc. Proper hygiene and sanitation prevent the spread of diseases and infections. If every individual on the planet maintains good hygiene for himself and the things around him, diseases will eradicate to a great level.

P.Praveen said dangers of dumping rotten and spoiled vegetables near the premises of raithu bazaar. He also explained them about how to protect themselves from various diseases by keeping them away from uninhabited areas.
