## **Outcomes:**

- Providing support and welfare services to avoid and discourage child abuse and neglect.
- Providing essential services to households that need desperate assistance in protecting and caring for their offspring.
- Receiving and investigating reports of potential child abuse and assessing household requirements, strengths, and resources.
- Working with the children and their family members to promote bonding among members or encourage adoption for bereaved families.

## **Objectives:**

- The aim was to provide provisions for nutrition, shelter, sanitation, health care, and hygiene.
- Additionally, they were also provided education, safe drinking water, and recreational facilities and protection against exploitation and abuse to neglected and destitute street children.
- To strengthen child protection at family and community level, create and promote preventive measures to protect children from situations of vulnerability, risk, and abuse.
- To institutionalize essential services and strengthen structures for emergency outreach, institutional care, family and community-based care, counselling, and support services at the national, regional, state and district levels.
- To ensure appropriate inter-sectoral response at all levels, coordinate, and network with all allied systems.

## **Report:**

Students and staff of life sciences has visited raja rajeswari child welfare which is in ponangi road Eluru we distributed fruits and sweets to the HIV Children the objective of the program is to bring smiles and happiness to those living in orphanage we We came to know that children's suffering with HIV/AIDS Are medicated and care is taken The organization is educating the students for their well being .

IIICBZ students were participated in this programme .

We observed the activities like Brisk walking, running, biking, dancing, jumping rope, and swimming are a few examples of physical activity. Exercise is a type of physical activity that's planned and structured with the goal of improving your health or fitness. Taking an aerobics class and playing on a sports team are examples of exercise.
