ELURU

BRIEF NOTE

Sir C R Reddy College for Women organized a programme, for the distribution of school bags to children in the remote regions of eluru. College faculty P. Praveen, M. Divya Sri, K. Sushma and college students participated in this program.

By providing them school bags and stationeries, we would like to facilitate their exhausting way to school and to improve their learning condition over there.

We observed innumerable school students in rural regions are forced to take their books to school without any bags. They often carry them in bare hands (or) plastic bags. Many times, these children also need to travel a certain distance bearing the monsoon to reach their schools.

We are thus trying to make transformation in the conditions of the rural education by supporting children from marginalized sections of society.

Outcomes

- ❖ It is our observation that marginalized children in the remote areas are immensely benefited by the school bags distribution programme.
- ❖ Such programs can be done as a way to increase interest in education among rural students

Report of the Activity

Distribution of school bags to children in the remote regions of eluru Organized by Sir C R Reddy College for Women. College faculty P. Praveen, M. Divya Sri, K. Sushma and college students participated in this program.

P.Praveen Faculty said that by providing them school bags and stationeries, we would like to facilitate their exhausting way to school and to improve their learning condition over there. We observed innumerable school students in rural regions are forced to take their books to school without any bags. They often carry them in bare hands (or) plastic bags.

K.Sushma Said Many times, these children also need to travel a certain distance bearing the monsoon to reach their schools. We are thus trying to make transformation in the conditions of the rural education by supporting children from marginalized sections of society. The students were very happy with the provision of school bags
