POT PAINTING

BRIEFREPORT

Sir C R Reddy College for Women, Eluru, Entrepreneurship Cell is conducted a Training Programme on POT PAINTING for rural women our college adopted village at Jalipudi on 22-02-2023 to 04-03-2023. The purpose of the programme is Women's entrepreneurship including accepting women's viewpoints or making an effort to seek them, raising the status of women in society through education, awareness, literacy, and training. Developing skill for enhancing leadership potential. The tool of real development was taken care by SIR C R REDDY COLLEGE FOR WOMEN and the impossible work was done by them by making the women entrepreneur by using the tool of awareness programmes. The beyond measure and beautiful work of making pots with color painting made them the evolving entrepreneur and made them economically powerful and hence developing them into the society changer.

We need women at all levels and when the level goes from home to reshape their leisure time into the voice that can be heard by not only cooking the food and maintain household affairs but also supporting the family through being the real architects of society. Special focus was given to village children by our NSS students and faculty members. Invited talk, training programmes, were organized in order to bring out their talent and revoke their leadership skills and increase their active participation, significant days at village levels.

Impact of the programme was very effective for all age group women. Value education classes made them to understand the significance of values, respect the elders and help them at the times of need. It's not the just the computer literacy but its equivalent to human literacy as per 10 days scenario and keeping that in mind the Sir C R Reddy College for women, Entrepreneurship cell makes the women to be familiar with computer and its operations and we value the lifelong learning they gave by Empowering the children and women to build up a strong society and hence developing the village Jalipudi.
