Report

Department of English organized an Add-on Course on "Structural English for sure success in ED-CET" for III B.com V Semester students. 70 students enrolled themselves for the add-on course and the resource persons were Smt. P.Hima Bindu and Smt. K. Venkata Lakshmi. It is conducted for 42 hours i.e, from 5-11-2021 to 23-12-2021, and the classes were conducted after the class hours i.e, from 4.40 to 5.40pm. We have provided the study material to the students. We have started this add-on course to make the students use correct patterns of the language and to make them acquire the wider range of vocabulary.

Now they are able to use the correct structure in a sentence, understand the words and using the words in their daily usage.

Through this knowledge they are able to answer the different types of questions from a comprehension as well as grammatical questions etc. and this knowledge helps them to write various competitive exams.

At the middle of the course we have conducted two Internal exams each for 25 marks and at the end one Grand Test for 50 marks. Certificates were given to the students who scored more than 40% marks. Most of the students scored good marks and proved that this course helped them in gaining good knowledge.

Report

Department of Biotechnology has organized a Value Added Course on 'Food & Nutrition' for I BZBT students. The objective of learning this course is to enable the students to learn the basics of Food & Nutrition, calculate and interpret nutrient composition of foods and apply scientific research, interpret and apply nutrition concepts to evaluate and improve the nutritional health of individuals with medical conditions.

This course is essential for every individual as it involves diet plans, RDA, symptoms of malnutrition etc. Being adolescent girls and future mothers, there is immense need for the girl students to be aware of the present topic.

The course is conducted after the completion of regular classwork from 6/9/21 to 29/10/21 for a period of 40 days. The duration of the class is 1 hour from 4.30pm to 5.30pm on all working days. Mrs. S Anuradha, Hod - Dept. of Biotechnology is the resource person.

25 students were enrolled in the course and course material was provided to every registered student. During the course, 2 internal exams were conducted in the form of MCQs for 10 marks and 1 grand test for 30 marks in the same pattern.

The outcomes of the course were utilizing knowledge from the physical & biological sciences as a basis for understanding the role of food and nutrients in health and disease processes, able to provide nutritional counseling & education to individuals in diseased conditions, gaining knowledge on malnutrition and its prevention, about sanitation and its role in healthy living.
