## Report

Department of Chemistry organized Add-on Course "CLEANSING AGENTS" from 25-11-2019 to 21-01-2020 for III B.Sc. Chemistry students. A total of 150 students were registered for this course. This course is conducted after the regular class work is completed. The duration of the class is for one hour (8.15 am to 9.15 am) and it is a 40 days course with two sections.

Course material was provided to every registered participant. During the course 2 internal and 1 Grand test was conducted and evaluated. The maximum marks for internal exam 1 and 2 is 25M, and for Grand test is 50M. Participation Certificates were issued to the participants.

On 25-11-2019, Department organized an Inaugural function and Smt V. Raja Rajeswari,, Lecturer in Chemistry , invited the Chief Guest and Guest of Honor and the resource persons named as V.Raja Rajeswari and P.Ramya krishna on to the Dias.

Sir P. Srirangamgaru, Correspondent, Sir .C.R. Reddy College for Women in his speech encouraged students to learn new advance courses which are popular day by day. He instructed students to learn any course with commitment. He expressed that Theoretical knowledge as well as Practical knowledge are important and encouraged students gain knowledge by referring various books, searching web etc.

Smt P.Sailaja, Principal, Sir C. R. Reddy College for Women rightly educated the students about the preparation of cleansing agents . She encouraged the students to utilize all the resources available in the college to gain knowledge.

Smt.B.Tulasi Koteswari Bai, HOD, Department of Chemistry educated students about different cleansing agents preparations, like scented phenol, liquid soap, detergents, sanitizer etc.

Smt V.Raja Rajeswari, gave an elaborated lecture on Cleansing agents. In her speech, she explained that now in a days the preparation of cleansing agents was useful for each and everyone. And also discussed about different methods for the preparation of cleansing agents. During the 40 days program, the Instructor Ms.V.Raja Rajeswari clearly explains cleansing agents preparations. Students cleared their doubts and practiced the given examples.

On 22-01-2020, Department organized an Valedictory function and Smt V.Raja Rajeswari, Lecturer in Chemistry, invited the Chief Guest and Guest of Honors and the resource persons named as V.Raja Rajeswari and P.Ramya krishna on to the Dais. Smt P.Sailaja, Principal, Sir C. R. Reddy College for Women appreciated the department on successful completion of this course and encouraged staff to do many more programs.

## REPORT

Department of Electronics organized Add-on Course on "PCB (printed circuit board)" from 19-09-2019 to 30-01-2020 for III B.Sc. Electronics students. In this course 30 students are participated. The duration of the class is for one hour (4.40 Pm to 5.40 Pm).30 students participated in this course.

On 19-09-2019, Department organized an Inaugural function and Smt K.Jyothsna, Lecturer in Electronics , invited the Chief Guest and Guest of Honors and the resource person on to the Dais.

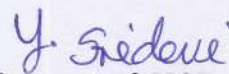

Sri Paladugula Sri Rangam, Correspondent, Sir .C.R. Reddy College for Women in his speech encouraged students to learn new advance courses which are popular day by day. He instructed students to learn any course with commitment. He expressed that Theoretical knowledge as well as Practical knowledge are important & encouraged students gain knowledge by referring various books, searching web etc.

Smt P.Sailaja, Principal, Sir C. R. Reddy College for Women rightly educated the students about the importance of learning latest technologies and job opportunities in present world. She encouraged the students to utilize all the resources available in the college to gain knowledge.

Smt Y. Sridevi, HOD, Department of Electronics educated students about the PCB available in the market and how we can use PCB s in connecting circuits. She encouraged the students to do a simple project by using PCB

Ms., Y. Sridevi is a resource person of this course. She gave an elaborated lecture on PCB. In her speech, she explained that a printed circuit board or PC board or PCB is a non-conductive material with conductive lines printed or etched. Electronic components are mounted on the board and the traces connect the components together to form a working circuit or assembly. During the 40 days program, the Instructor Ms. Y. Sridevi clearly explains the basics and concepts of printed circuit board. Students cleared their doubts from their allotted madams and practiced the given examples.

On 30-01-2020, Department organized an Valedictory function and Smt Y.Sridevi, Lecturer in Electronics , invited the Chief Guest and Guest of Honors and the resource person on to the Dais. Smt P.Sailaja, Principal, Sir C. R. Reddy College for Women appreciated the department on successful completion of this course and encouraged staff to do many more programs. After that certificates were issued and end the function.

## REPORT

Add on course on sericulture was conducted by department of fisheries from 02 - 07 -2019 to 19-11-2019 to II B.sc CBZ and ZFC students. A.Kalyani handled different sessions. 50 participants of II B.sc CBZ &ZFC students have attended the add on course

We conducted a add on course on sericulture to the student to improve their knowledge on sericulture . sericulture is the only industry that gives large number of job opportunities so the process of sericulture is considered a tool for the economic reconstruction of rural areas.

There are various sections involved in sericulture which include management of the mulberry garden , harvesting of leaves , rearing the silk worms. Silkworms is very suitable in tropical climates because the mulberry plant will grow well in the regions which have tropical climate conditions and give a good yield all around the year.

## BRIEF REPORT

**Department of Physics Organized a Value added course on Principle and working of Xerox machine, water heater and micro oven to the students of III B.SC from 1-08-2019 to 06-11-2019**

**On 1-08-2019 Département of physics organized an inaugural function for Value added course on Principle and working of Xerox machine Water heater and Microoven. Sri Paladugu Srirangam ,Correspondent, Sir CR Reddy College For Women in his speech he encouraged students to learn new advance courses which are popular day by day .He expressed theoretical knowledge as well as practical knowledge are important and encourage the students to gain knowledge by referring books searching web etc.**

**Smt P.Sailaja,Principal Sir CR Reddy College For Women rightly educated the students about the importance of learning basics of electrical devices and job opportunities in present world .She encouraged the students to utilize all the resources available in the college to gain knowledge .**

**Mrs Ch.Anitha ,Mrs P.Radhika,Mrs M.Jaya Lakshmi Devi & Mrs B.Durga Prasanna Resource Persons of this program. Mrs Ch.Anitha gave an elaborated lecture on Principle and working of Xerox machine Water heater and Micro oven .In her speech she explained the basics and applications of Principle and working of Xerox machine Water heater and Micro oven .**

- The Program is conducted before the regular class work.
- The duration of the class is one hour i.e .,8.20 am to 9.20 am in physics lab. For period of 40 days the course started from 01/08/2019 - 06/11/2019.
- Total 106 students are participated in this program . The 226 students are divided into 1,2 batches consists of 53 students,3,4 batches consists of 60 students. One lecturer is allotted to each batch.
- In middle of the program we have conducted three tests after completion of one unit .And evaluated.
- Each test carries 10 marks .Duration 30 mins.
- Students were supplied with the necessary study material .
- Certificates were issued to the participants.
