Grama panchayat, Pothunuru

To
The Principal,
Sir C R Reddy College for Women,
Eluru.

Respected Madam,

I the Panchayat Seretary of Pothunuru village on behalf of our residents express my gratitude to the Management, Correspondent, Principal, NSS Programme officer and Volunteers of Sir C R Reddy College for Women, Eluru for organizing a **Free Mega Medical Camp** with a team of Specialists on 7-5-23 at ZP High School. Really the camp was very useful to the village folk.

It was an enormous under taking but went smoothly and efficiently. I extend my best wishes to the Rotaract, UBA & NSS Volunteers for future and hope that they will continue with their endeavours to help the needy public in future as well.

Thanking you

REPORT

A Total of 119 Patients got the benefits of the free camp. The patients above 40 years were screened for diabetes, hypertension and cardio vascular diseases using ECG. They were given treatment on the spot with the help of specialists from General medicine and Gynecologist the ones who are in need of advanced care were referred to ASRAM Hospital, Eluru. The Physicians conducting the camp are obliged to act in the best interest of the patients. They inform the whole truth about diseases and treatments of the patients. Every patient attend the camp are treated similarly and cared for evenly. 82 people were participated and benefited in free dental health checkup. The Ophthalmologists tested every patient and they gave eye drops and multi vitamin capsules. Among 26 Patients ten patients were identified as cataract sufferers. So these sufferers were under went for cataract surgery with free of cost at government hospital Eluru. On the whole the entire camp was successfully completed with the utmost care by the specialists.

Street plays on important issues like hand hygiene, alcohol and tobacco its effects were enacted by the NSS Volunteers. The in charges of pothunuru appreciated the free services of the doctors with the help of NSS Volunteers for their zeal and concern towards pothunuru Village. zeal and concern towards pothunuru Village.

Report of the Activity:

Sir CR Reddy College for Women Community Cell and UBA was started Deworming Awareness Program and Distribution of tablets at Denduluru Village on 3-5-2023 at 10.30 am in collaboration with Gram Panchayat.

Gram Panchayat Secretary P.Sunitha Rao said as for official data more than 836 million children are at risk of parasitic worm infections worldwide. According to the WHO 241 million children between the ages of 1 and 14 years are at risk of parasitic intestinal worms in India. Deworming has no serious side effects. "But it can cause nausea and vomiting if a child and adult has worms. The medicine Albendazole disrupts the worms, which leads to uneasiness in the stomach.

Albendazole tablets were distributed door to door by college staff and students panchayat staff in Denduluru village.

Gram Panchayat Secretary P.Sunitha Rao and Panchayat staff, community cell members P.Praveen, K.Sirisha, UBA coordinator A.Jyothi and college students participated in this programme.

II B.Com (CA&Gen) students attended the Extension Programme at Vihan Charitable Trust on 20-04-2023

REPORT :-

The Department of Commerce in association with IQAC organized Extension Programme through distribution Food, Stationary to the children of Vihan Charitable Trust, Xavier Nagar, Eluru on 20-04-2023. Sri.Chalasan Viswanadha Rao garu, Correspondent of Sir.C.R.Reddy College For Women, Smt.P. Sailaja, Principal of Sir.C.R.Reddy College For Women, Smt.S.Anuradha, Vice-Principal of Sir.C.R.Reddy College For Women attended the programme.

Department of Commerce aims at serving the society with all kind of resources available. Through extension programme, we sensitize the students to develop social values,wide spread their responsibilities and knowledge in societal issues and problems by making them to involve with the society.

Students with profound interest attained the social values and understand their social responsibilities as a citizen. Above all, students get hold of social justice, value, responsibility and sustainability.

Commerce Department aims at developing amongst students a sense of participation in Nation building through social work. This deepens understanding of the social environment and enriches their personalities through actual participation in day-to-day life of the society. This process of learning is

not only a desirable supplement to the class room education but develops in the students a sense of responsibility, tolerance and cooperation.

Students practically understood how social responsibility contributes to the social and economic progress of country.

Extension Programme place a vital role in the development of the latent aspects of the students personality. The main aim of Commerce Department is not only to provide quality education but also to develop social consciousness among the students.

About 10 students of II B.Com (CA & Gen) attended the programme. All faculty members of Commerce Department along with II B.Com (CA&Gen) distribute Food, Stationary to the children of Vihan Charitable Trust.

Report:

The fruits distribution program during Ramzan at Dharga aimed to provide essential nutrition and support to the local community during the holy month. Organized by extension activity members of our college.

The primary goal was to distribute a variety of fresh fruits to the residents near Dharga, promoting both physical and spiritual well-being during the fasting period of Ramzan.

On 21-04-2023, the distribution process commenced at Vatluru Dharga. Volunteers efficiently organized and distributed the fruits, ensuring a smooth and orderly process.

REPORT

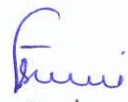

As a part of Community service NSS and IQAC of Sir C R Reddy College for women and Indian Red Cross Society organized an Awareness program on the occasion of World Hemophilia day at Sir C R Reddy College on 9th April 2023.

Dance performance by Kumari Pallavi as an Inaugural and the youth members presented the reports of Hemophilia Vijayawada chapter 2022-2023 activity and it is followed by welcoming the guests and Lighting lamp by chief Guests.

Chief Guest of this program Dr. Nalini Parthasarathi delivers his speech to educate about Hemophilia. This program creates awareness for newly diagnosed families, as well as carrier families. Through this program, families gain information and resources on diagnosis, Management , treatment options and strategies to prevent Secondary conditions.

Dr. I. S Chaitanya kumar , AIIMS, Mangalagiri speaks about men and women with bleeding disorder. Willebrand disease (VWD) is a bleeding disorder that affects males and females equally. It is more common than hemophilia and can sometimes cause heavy bleeding. It is caused by a deficiency of von Willebrand factor (VWF), which is a type of protein that helps blood to clot. It does not cause serious problems, as the condition is mild and manageable. Most people have symptoms such as easy bruising, frequent or long-lasting nosebleeds or bleeding from your gums. Women are more likely to experience symptoms and complications due to the increased risk of bleeding during menstruation, pregnancy and childbirth. It may also be hard to stop bleeding after an injury, dental procedure or surgery.

Dr. G. Vikram Kumar talks about modern treatments which reduce the risk of complications and disruptions to school, employment and family life for people with bleeding disorders.

POT PAINTING

BRIEFREPORT

Sir C R Reddy College for Women, Eluru, Entrepreneurship Cell is conducted a Training Programme on POT PAINTING for rural women our college adopted village at Jalipudi on 22-02-2023 to 04-03-2023. The purpose of the programme is Women's entrepreneurship including accepting women's viewpoints or making an effort to seek them, raising the status of women in society through education, awareness, literacy, and training. Developing skill for enhancing leadership potential. The tool of real development was taken care by SIR C R REDDY COLLEGE FOR WOMEN and the impossible work was done by them by making the women entrepreneur by using the tool of awareness programmes. The beyond measure and beautiful work of making pots with color painting made them the evolving entrepreneur and made them economically powerful and hence developing them into the society changer.

We need women at all levels and when the level goes from home to reshape their leisure time into the voice that can be heard by not only cooking the food and maintain household affairs but also supporting the family through being the real architects of society. Special focus was given to village children by our NSS students and faculty members. Invited talk, training programmes, were organized in order to bring out their talent and revoke their leadership skills and increase their active participation, significant days at village levels.

Impact of the programme was very effective for all age group women. Value education classes made them to understand the significance of values, respect the elders and help them at the times of need. It's not the just the computer literacy but its equivalent to human literacy as per 10 days scenario and keeping that in mind the Sir C R Reddy College for women, Entrepreneurship cell makes the women to be familiar with computer and its operations and we value the lifelong learning they gave by Empowering the children and women to build up a strong society and hence developing the village Jalipudi.

REPORT

Sir C R Reddy college for women Vatluru, Eluru, collaborated with the Eluru Helapuri Lions Club to conduct the medical camp to serve the society. NSS volunteers of our college participated in that camp. It was conducted in the month of February ,on 12th, 2023 .

Nearly 127 patients were examined in the camp and our volunteers have done these best for the smooth running of the camp. There was a free eye checkup sugar tests, blood pressure tests. The club members distributed the eye glasses freely to the people who need them. General checkups were conducted by a general physician. They have distributed needed for month free medicines to the needy people . Theyhad distributed the needy medicines to the people in the course of 1 month. This camp was held successfully by the members of Eluru Helapuri Lions Club.

“Tailoring Course”

BRIEF REPORT

Sir C R Reddy College for Women, Eluru, Innovation, Incubation & Entrepreneurship Cell is conducted a Training Programme started on Tailoring Course for rural women village at Jalipudi on 21-12-2022. The purpose of the programme is Women's empowerment including accepting women's viewpoints or making an effort to seek them, raising the status of women in society through education, awareness, literacy, and training. Developing skill for enhancing leadership potential. The tool of real development was taken care by SIR C R REDDY COLLEGE FOR WOMEN and the impossible work was done by them by making the women empower by using the tool of awareness programmes. The learning of minimum skills in having computer knowledge made them the evolving entrepreneur and made them economically powerful and hence developing them into the society changer.

We need women at all levels and when the level goes from home to reshape their leisure time into the voice that can be heard by not only cooking the food and maintain household affairs but also supporting the family through being the real architects of society. Special focus was given to village children by our NSS students and faculty members. Invited talk, Training programmes, were organized in order to bring out their talent and revoke their leadership skills and increase their active participation, significant days at village levels.

Impact of the programme was very effective for all age group women Value education classes made them to understand the significance of values, respect the elders and help them at the times of need. It is not the just the computer literacy but its equivalent to human literacy as per today's scenario and keeping that in mind the Sir C R Reddy college for women, women empowerment cell makes the women to be familiar with tailoring and its operations and we value the lifelong learning they gave by empowering the children and women to build up a strong society and hence developing the village Jalipudi.

Report:

Sir C.R.Reddy College for Women has adopted 5 villages as a part of Unnat Bharat Abhiyan. Our college organized a plastic awareness program 11-11-2022. President B.Swaroop, Coordinator A.Jyothi, Faculty member P.Praveen, K.Rambabu, M.Hema sri along with our Students participated in the program and conducted a plastic awareness programme in Pothunuru village.

We conduct an awareness programme on “Disasters Causes by Plastic Usage”. We requested them to stop using plastic items like plastic bags, water bottles and distributed cloth bags and encourage using them.

The programme ended with a joint pledge to “SAY NO TO PLASTIC”

Mr.Ch.Durga Prasad presented a detailed introduction about awareness of “Use of Technologies in Rural Education”.

Mr.Ch.Durga Prasad, Resource Person conducting awareness programme for 9th and 10th class students

Report

- Department of Computer Science organized a Workshop programme on “Use of Technologies in Rural Education” on 10-11-2022 and 11-11-2022.
- Panchayati president B.Swaroop advised the students to improve their soft skills and communication skills.
- Secretary Khajal Meera Sharif also participated in this program and explained the advantages of using Technologies by students in a right way.
- Mr.Ch.Durga Prasad explained Application of ICT has the potential to improve living standards of people in rural areas and by providing important educational benefits, social and commercial awareness.
- He explained to support schools in sharing experience and information with others.
- He explained to increase a variety of educational services i.e. development of learning skills, expansion of optional education, distance education.
- He explained it helps in effectiveness of classroom as well as innovative teaching.
- He explained it offers more challenging and engaging learning environment for students of all ages.
- He explained one of the great challenges for quality control in education is lack of standards for parameters to measure the quality of education.
- India is developing as a knowledge economy and it cannot function without the support of ICT.
- Proper training and implementation of ICT programmes in simple way and language which is easily understandable by the rural people can surely bring about revolution in rural development.

Report of the Activity

As part of the community activity of Sir. C.R. Reddy College for women Community Cell and Unnat Bharat Abhiyan programme, a grama sabha was held at denduluru village secretariat to inform the villagers about the importance of Swachh Bharat and to keep the environment clean.

Grama Panchayat Secretary P.Sunitha Rao said Swachh Bharat Abhiyan is one of the most popular and significant missions in the History of India. This campaign was introduced by the Prime Minister, Narendra Modi, and was launched on 2nd October 2014 to honour Mahatma Gandhi's vision of a Clean country. The concept of Swachh Bharat Abhiyan is to provide basic sanitation facilities like toilets, solid and liquid waste disposal systems, village cleanliness, and safe and adequate drinking water supply to every person.

Grama Panchayat Secretary P.Sunitha Rao and Panchayat staff, college faculty P.Praveen, K. Sirisha UBA coordinator A.Jyothi and college students participated in this Programme.

M. Jayalakshmi Devi, Lecturer Department of physics created awareness among the people of Bhogapuram regarding "Water saving".

Report

Department of Physics in association with Unnat Bharat & IQAC organized an awareness program on Water Saving at Bhogapuram village on 09/11/2022 from 10:30 a.m to 12:30 p.m.

M. Jaya lakshmi Devi, Lecturer Department of physics welcomed the ward member and the people of Bhogapuram. III BSc M P C students of our college participated in this program.

M. Jaya lakshmi Devi, briefly explains the importance of water in our daily life and how water is polluted by human activities. She educated the villagers by saying.....

Water pollution is the contamination of water bodies, say lakes, rivers, oceans, aquifers, reservoirs and groundwater as a result of human activities, so that it negatively affects its uses.

When contaminants mix with these water bodies. Contaminants can come from one of four main sources: sewage discharges, industrial activities, agricultural activities, and urban runoff including storm water . Water pollution is either surface water pollution or groundwater pollution. This form of pollution can lead to many problems, such as the degradation of aquatic ecosystems or spreading water-borne diseases when people use polluted water for drinking or irrigation.

Another problem is that water pollution reduces drinking water.

She aware the villagers about the compounds which reach water bodies via raw sewage or even treated sewage discharges:

- **Various chemical compounds found in personal hygiene and cosmetic products.**
- **Disinfection by-products found in chemically disinfected drinking water**

- **Hormones from animal husbandry and residue from human hormonal contraception methods and synthetic materials such as phthalates that mimic hormones in their action.**

- **Insecticides and herbicides, often from agricultural runoff.**

If the water pollution stems from municipal wastewater, the main pollutants are: suspended solids, biodegradable organic matter, nutrients and pathogenic (disease-causing) organisms.

A study published in 2017 stated that polluted water spread gastrointestinal diseases and parasitic infections and killed 1.8 million people .Persistent exposure to pollutants through water are environmental health hazards, which can increase the likelihood for one to develop cancer or other diseases.

Nitrogen pollution can cause eutrophication, especially in lakes. Subsequent negative environmental effects such as anoxia (oxygen depletion) and severe reductions in water quality may occur. This can harm fish and other animal populations.

She also explained how thrown plastic covers and bottles in the water are causing harm to aquatic life.

She explained the importance of groundwater, as nowadays many people are using groundwater without any specific methods for household, agricultural and industrial purposes. If it continues there may be scarcity in groundwater too.

In order to save water for present and future generations, she advised them to utilize water in a proper way and also advised them to construct water conservation pits in each and every house, industries and working places like offices, shopping malls, restaurants etc.

Report:

UBA organized a household and village survey on 04-11-2022 in Mudicherla village. UBA coordinator A. Jyothi and UBA members Praveen along with the students of IIB.sc and IIB.com conducted the survey regarding the livelihood of villagers.

Firstly we have met Panchayat secretary Rama Devi, got permission from them to conduct the survey.

1. Explained about the survey and
2. We have covered all the houses and collected the necessary information regarding their livelihood, education and also about their utilization of govt. schemes.

Report:

Sir C.R.Reddy College for Women has adopted 5 villages as a part of Unnat Bharat Abhiyan. Our college organized a plastic awareness program 04-11-2022. Secretary, Chandrasekhar Coordinator A.Jyothi, Faculty member P.Praveen, M.Hemasri along with our Students participated in the program and conducted a Plastic awareness programme in Mudicherla village.

We conduct an awareness programme on “Disasters Causes by Plastic Usage”. We requested them to stop using plastic items like plastic bags, water bottles and distributed cloth bags and encourage using them.

The programme ended with a joint pledge to “SAY NO TO PLASTIC”

Subject: Request to grant permission to arrange a “AWARENESS PROGRAMME ON ELECTRICAL POWER SAVING ” - regarding.

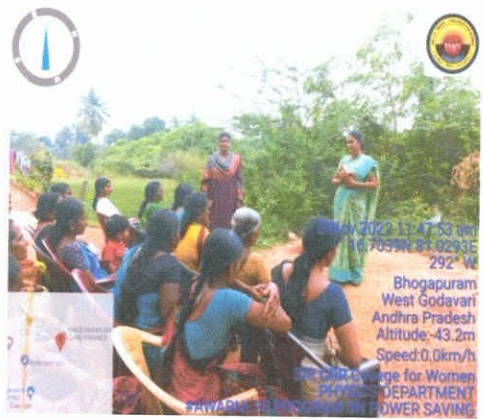

This is to bring to your kind notice that, Department of Physics and III B.sc Students association with IQAC are planning to arrange an “AWARENESS PROGRAMME ON ELECTRICAL POWER SAVING ” on 3-11-2022 at 10.30 a.m. to 12.30 p.m at Bhogapuram village.In this context, we request you to grant permission to arrange the program on 3rd november2022.

Thanking you

Yours faithfully,

K.Sirisha, HOD Department of physics created awareness among the people of Bhogapuram regarding “Electrical Power saving”

Report

Department of Physics in association with Unnat Bharat & IQAC organized an awareness program on Electrical Power Saving at Bhogapuram village on 03/11/2022 from 10:30 a.m. to 12:30 p.m.

K. Sirisha, HOD Department of physics welcomed the ward member and the people of Bhogapuram. III BSc M P C students of our college participated in this program.

K. Sirisha briefly explained the importance of electricity and how it is produced by fossil fuels. She also explained about the present and future problems regarding production of power and its wastage.

She educated them that if we are wasting power means we are wasting the money and also damaging the environment. As the power is very important to us and to our future generations we need to save the power. In order to educate the villagers she explained the present and future situations as follows.

India is the third largest producer of electricity in the world. Through its Saubhagya initiative, India currently is at 99.99% electrification with only 18,734 households without electricity. However, the quality and reliability of electricity access remains an issue, as does the long-term sustainability of the largely grid-based approach. Power for All's work in India is focused on building a powerful, evidence-based narrative for the country's decentralized renewable energy (DRE) sector, to spotlight its critical role in not only providing quality, fiscally responsible and customer-centric 24/7 electricity services to India's rural poor, but improving livelihoods and generating economic activity and employment.

At its core, energy conservation means using less energy to lower costs and reduce environmental impact. This can mean using less electricity, gas, or any other form of energy that you get from your utility and pay for.

Energy conservation vs. energy efficiency

While energy conservation is trying to use less energy for lower cost and reduce environmental impact, energy efficiency means using specific products designed to use less energy. These two concepts are inherently similar but involve different methods. Examples of energy conservation include using smart appliances and energy-saving bulbs in your home. Energy conservation can help you save money and also increase your sustainability.

- 1. Adjust your day-to-day behaviors**
- 2. Replace your light bulbs**
- 3. Use smart power strips**
- 4. Install a programmable thermostat**
- 5. Use energy-efficient appliances**
- 6. Reduce water heating expenses**
- 7. Wash your clothes in cold water when possible**
- 8. Replace or clean your air filters**
- 9. Use natural light**
- 10. Shift consumption away from the 10 am - 8 pm peak times:**
- 11. AC's at 26° C**

12. Switch off from the plug point

India would need around 4,000GW of total installed capacity to meet 5,921 terawatt hours (TWh) of electricity demand and 1,023GW of peak demand over the next three decades up to 2050, the report says. Of this, total solar capacity is projected to be around 3,076GW, or 76% of the total installed capacity.

What is the future of electricity source?

Using renewable energy sources – such as wind and solar power – is one of the fastest-growing ways to get cleaner, greener electricity. This means that, to reduce CO₂ emissions and reach net zero, more aspects of our lives that previously relied on fossil fuels will need to start using electricity instead. Solar Energy has a bright future in India because we are a tropical country with enormous possibilities of tapping solar energy. Solar energy is fast becoming popular in rural and remote areas.

In order to encourage the people towards power saving LED bulbs are distributed to the people of Bhogapuram.

Remark: Unnat Bharat Abhiyan Survey

Report:

UBA organized a household and village survey on 05-09-2022 in Somavarappadu village. UBA coordinator A. Jyothi and UBA members along with 3rd Bsc and 3rd B.com students of conducted the survey regarding the livelihood of villagers. Firstly we have met Panchayat secretary Srikanth got permission from them to conduct the survey.

1. Explained about the survey
2. We have covered all the houses and collected the necessary information regarding their livelihood, education and also about their utilization of govt. schemes.

Report:

Sir C.R.Reddy College for Women has adopted 5 villages as a part of Unnat Bharat Abhiyan. Our college organized a plastic awareness program on 07-11-2022. Secretary Srikanth Coordinator A.Jyothi, Faculty member P.Praveen along with our Students participated in the program and conducted a plastic awareness programme in Pothunuru village. We conduct an awareness programme on "Disasters Causes by Plastic Usage". We requested them to stop using plastic items like plastic bags, water bottles and distributed cloth bags and encourage using them.

The programme ended with a joint pledge to "SAY NO TO PLASTIC"

Report :

Department of Zoology and Fisheries conducted a Rally on Ozone day on 16-09-2022 for all the life science students the programme was guided by the Dr.Ch. Swapna and other faculty members. The Rally Ozone Day is to educate people worldwide about the crucial role of the ozone layer in preserving life on Earth. By increasing awareness, individuals and communities are better equipped to take action to protect this vital shield. This day is also known as International Day for the Prevention of the Ozone Layer. This significant day is dedicated to raising awareness among people about the importance of safeguarding the ozone layer and addressing the issue of its depletion. The ozone layer protects the Earth against most UVB coming from the sun. It is always important to protect oneself against UVB, even in the absence of ozone depletion, by wearing hats, sunglasses, and sunscreen. However, these precautions will become more important as ozone depletion worsens. All the students were actively participated in the programme

REPORT

On 24th August 2022 An Awareness Programme on personality development was arranged for NSS and sports for 2nd degree students in seminar hall. The resource person was swamy vinishchalananda, secretary, Rama Krishna mission-Vijayawada.

Guruji elucidates that personality development is a key factor that influences both our professional and personal life. It equips us with valuable traits such as discipline, punctuality and the ability to contribute significantly as a valued member of any organisation. Without discipline, individuals face difficulties in sustaining long-term success without relying on others. Essential qualities like being punctual and adhering to management's rules are crucial for achieving career growth.

Guruji gave so many tips to students to enhance personality development

They are:

1. Learn techniques to prioritise tasks, set goals, manage time efficiently and improve overall productivity.
2. Understand the importance of personal branding, professional appearance, work place etiquette and maintaining a positive professional image.
3. Build self-confidence, overcome self-doubt and be able to assert oneself in professional settings.

4. Improve both verbal and non-verbal communication abilities, active listening and expressing ideas effectively.

5. Learn techniques to expand professional networks establish connections and nurture relationships.

6. Setting personal and professional goals, creating action plans and continuously working towards self-improvement.

Guruji concludes the session by saying that :

Accept that everyone is unique, don't have arrogance.

Once must always remember that every one is unique and special in its own self one must never compare their qualities with others which hurts any one, one must never do negative criticism, as it often stands as an obstacle to our glowing personality ,also it destroys of others.

Principal Smt.P.Sailaja, Vice-Principal Smt.S.Anuradha, Faculty members of Sir C.R.Reddy college for women were attended the programme.
