Report of the Activity:

An awareness programme was conducted at Pathebad Raithu Bazaar in Eluru as a part of the environment and hygiene, for farmers and traders to educate regarding the dangers of dumping rotten and spoiled vegetables near the premises of raithu bazaar.

Commerce Lecturers P.Praveen, B.Nirmala and students were participated in this awareness programme.

B.Nirmala said to traders maintaining personal hygiene and sanitation is important for several reasons such as personal, social, psychological, health, etc. Proper hygiene and sanitation prevent the spread of diseases and infections. If every individual on the planet maintains good hygiene for himself and the things around him, diseases will eradicate to a great level.

P.Praveen said dangers of dumping rotten and spoiled vegetables near the premises of raithu bazaar. He also explained them about how to protect themselves from various diseases by keeping them away from uninhabited areas.

Rally on END-POLIO at SIR CRREDDY COLLEGE FOR WOMEN

Department of Life sciences participated rally in association with Rotary club

REPORT

On the occasion of polio day, Department of Botany and Biotechnology conducted a rally in association with the Rotary club of Eluru. The rally was launched by the Rotaract President Sri Ch.Nagabhushan Rao garu in our college premises. Students rally proceeded towards Sri Convention centre to Fire station centre. They have displayed placards and shouted slogans to create awareness among the public .Balloons were also raised to catch the attention of the public.

The motto of this rally is to aware public to take polio vaccine in time and prevent infection of the gut by the wild virus and to make India polio free. About 110 students participated in the event and drew the attention of the public.

It was decided to conduct such awareness programmes and rallies every year on 24th October on the occasion of Polio eradication day. On this occasion students pledged to educate illiterates in their surroundings about the ill effects of Polio virus.
