(SIR C.V RAMAN CLUB)

**Report on Career Guidance Program on “Physics to Profession:
Exploring Career Opportunities”**

The **Department of Physics and Alumni Cell**, in association with the **IQAC**, organized a Career Guidance Program on **“Physics to Profession: Exploring Career Opportunities”** on **3 October 2026** at **Sir C. R. Reddy College for Women, Eluru**. The program was organized for the benefit of the undergraduate Physics students, with **70 students** participating.

The program was delivered by **Mrs. K. Jhansi Rani, Assistant Professor, Ramachandra College of Engineering, Eluru**, who served as the resource person. She provided valuable insights into the wide range of career opportunities available to Physics graduates in higher education, research, teaching, technology, industry, competitive examinations and other emerging fields.

The resource person highlighted the importance of developing subject knowledge, practical skills, communication abilities, problem-solving skills and continuous learning to build a successful career. She also guided the students on various higher education pathways and encouraged them to identify their interests and strengths while planning their careers.

The program provided students with useful information and motivation to explore diverse career avenues after graduation. The interactive session enabled the students to clarify their doubts and gain a better understanding of the opportunities available in the field of Physics.

The program was beneficial in creating career awareness among the students and motivating them to make informed decisions regarding their higher studies and future professional careers.

Mrs. G Sarala Principal addressing the students on career opportunities available for Physics graduates

Mrs. K. Jhansi Rani resource person explaining emerging opportunities in Nanotechnology and Materials Science

The faculty members of the Department of Physics felicitated the resource person
