FIELD VISIT TO G.V.R ORGANICS, UNGUTURU

On 19/09/2026 Saturday, the 47 students of Department of Botany, SIR C R Reddy college for Women visited the G.V.R Organics at Unguturu. The students and faculty members were enthralled and had an adventurous trip. They visited organic farm guided by G. Venkata Ratnam garu. The students understood the importance of using eco-friendly techniques of farming which is sustainable. During the visit students gained information on techniques and microbes used in organic farming. An interactive session held at the institute to make students aware of benefits of using bio-fertilizers. During the session they were also taught about the production, processing of fertilizers like Jeevamrutham (liquid and solid) and Beejamrutham, insecticides like Neemastram, Brahmastram, Agniastam and Dashaparni Kashayam, intercropping method, water management, vermicompost, organic and green manures, transportation and marketing for its commercial use of organic jaggery.
