The occasion of International Girl Child Day

on 07-10-2026 (Wednesday) organized by

Women Empowerment Cell, Health Centre & NSS Advisory Committee in association with IQAC

An Eye Camp for Students organized by Women Empowerment Cell, Health Centre and NSS Advisory Committee in association with IQAC by STANLEY EYE HOSPITALS, VIJAYAWADA on 07-10-2026 (Wednesday), Time: 9.30 A.M, Venue- Seminar Hall.

Resource Person Dr.K.PRABHUDAS,MS (Ophthalmology),Stanley Hospitals, Vijayawada. An Eye Camp for Students was organized on 07th October 2026 (Wednesday). The programme was conducted at the Seminar Hall with the objective of creating awareness among students about eye health and providing basic eye screening facilities.

The programme was graced by Dr. K. Prabhudas, M.S. (Ophthalmology), Stanley Eye Hospitals, Vijayawada, who served as the Resource Person. He interacted with the students and highlighted the importance of maintaining good eye health, regular eye examinations, proper use of digital devices, adequate lighting while reading, and adopting healthy habits to prevent eye-related problems.

During the camp, students were provided with eye screening and basic ophthalmic examination. The resource person and the medical team addressed students' concerns related to vision and other common eye problems. Students were also encouraged to undergo periodic eye check-ups and seek timely medical attention whenever they experience vision-related difficulties.

The programme created awareness among students regarding the significance of preventive eye care and early detection of vision problems. The initiative was particularly useful in encouraging students to adopt healthy practices while using smartphones, computers and other digital devices.

The programme concluded with a vote of thanks to the Resource Person, medical team from Stanley Eye Hospitals, the organizing committees, IQAC, faculty members and students for their valuable cooperation and participation.
