

# REPORT ON MAGNUS 2025 PROGRAM

## Department of Commerce

The students of the Department of Commerce participated in MAGNUS 2025, an inter-collegiate event organized by Rama Chandra College of Engineering, Eluru on 19th November 2025. The program was coordinated by the Department of Management Studies of the host institution.

A total of 32 students from our college enthusiastically took part in the event. Students represented the sections I B.Com (CA), I B.Com (General), and I BBA. The event aimed to enhance students' knowledge, competitiveness, critical thinking, and leadership skills through various academic and management-based activities.

### Events Participated

Our students took part in the following competitions:

1. Biz Quiz – A business knowledge and current affairs quiz.
2. NextGen Leader – An event designed to identify leadership potential among students.
3. Market Mojo – A marketing and strategy-based activity encouraging creativity.
4. Trend Spark – An innovative event showcasing analytical and presentation skills.

Students performed with great enthusiasm and displayed commendable teamwork and confidence throughout all the events.

### Faculty Accompanied

P. Naga Lakshmi, Faculty

I. Jhansi, Faculty

Their constant encouragement, guidance, and supervision ensured smooth participation of the students.

### Acknowledgement

We express our sincere thanks to our Principal Dr. G. Sarala for her continuous support and motivation in encouraging students to participate in external academic activities. We also extend our gratitude to our Correspondent Sri Kilaru Prabhakar Rao for providing opportunities that enrich student learning and exposure.

Overall, the participation in MAGNUS 2025 proved to be a valuable learning experience for our students, strengthening their academic and practical understanding of management and commerce concepts.
