

## An Awareness programme on “How to Crack Civil services”

### Organized by Placement and Career Guidance Cell & Women empowerment Cell

Placement and Career Guidance Cell & Women Empowerment Cell in association with IQAC and Unnat Bharat Abhiyan organized an awareness programme on “How to crack Civil Services” for I B.Sc & B.Com students on 26 April 2024 from 10:30 am to 12:30 pm. The primary object of the programme was to provide insights and guidance to students on preparing for civil services examinations, including both the civil services exam and group exams.

Ms.G.S.R.Kalyani, lecturer, Department of Computer Science welcomed the resource person. Mrs. G.Sarala, Vice Principal addressed the gathering and encouraged students to take the advantage of the opportunity.

Resource person was Prof. M.Vijay Kumar, Director, SENA IAS Academy, Vijayawada. He provided detailed insights into the various aspects of preparing for civil services examinations. In addition to civil services examinations, he also provided guidance on preparing for group exams, catering to the diverse interests and aspirations of the students. He also explained about effective study strategies and time management techniques. He advised students to start working towards their goals without delay and highlighted that laying a strong foundation and consistently putting in effort from the present moment significantly increases the likelihood of success in achieving one’s aspirations.

The awareness programme on “How to Crack Civil Services” served as a platform for students to gain valuable guidance and strategies for their exam preparation

with dedication and determination. It not only equipped them with the necessary knowledge but also inspired them to approach their preparation with dedication and determination.
