Awareness Program - Study Abroad Education

The Career Guidance and Placement Cell of Sir C. R. Reddy College for Women, Eluru in association with the Internal Quality Assurance Cell (IQAC), organized an Awareness Program on Study Abroad Education 11th November, 2026 in collaboration with Academic Overseas Pvt. Ltd., Vijayawada. The program aimed to create awareness among students about higher education opportunities abroad and international career prospects.

Principal G. Sarala Madam addressed the students and encouraged them to explore higher education opportunities abroad. She advised them to make effective use of such programs and make informed decisions about their academic and professional futures. MS. G. S. R. Kalyani, Coordinator of the Career Guidance and Placement Cell, motivated students to aspire for higher education and explore opportunities beyond national boundaries.

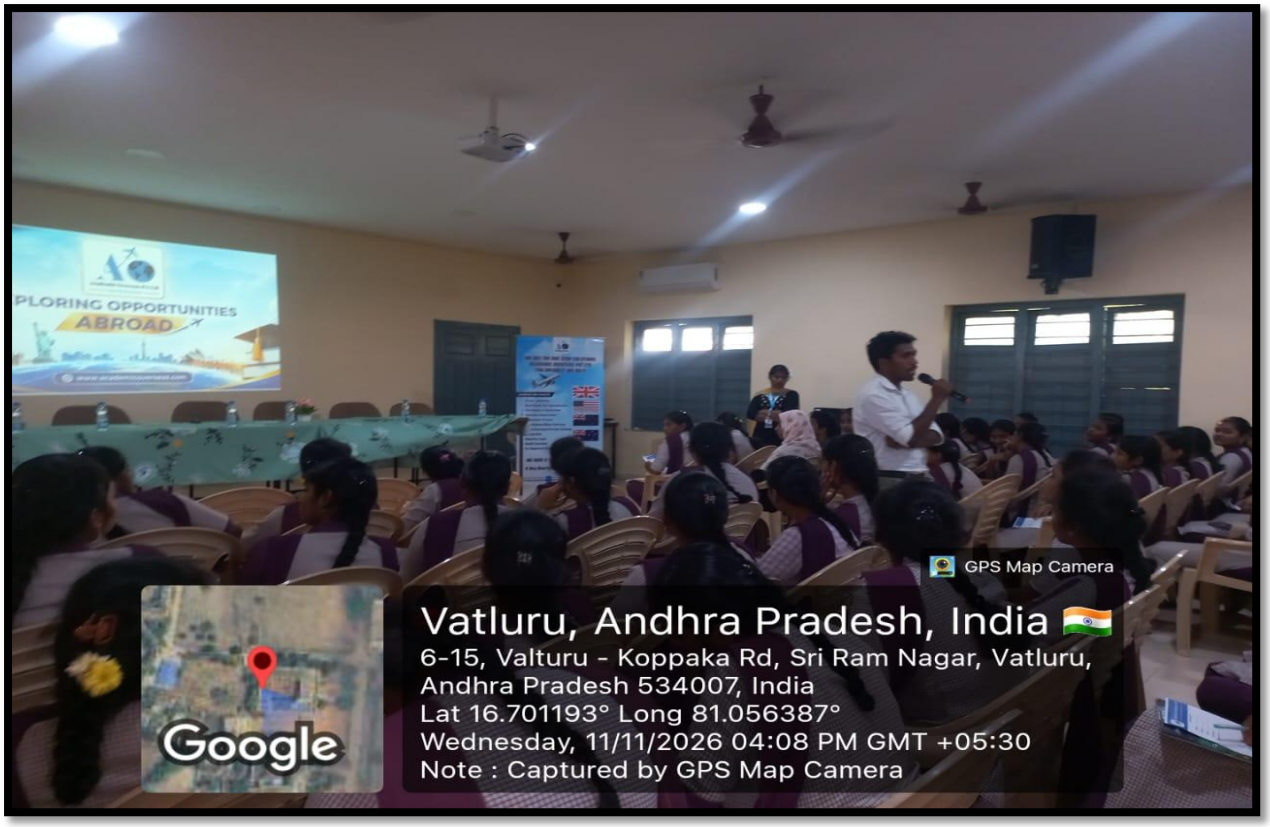

The resource persons were Ms. B. Jagathi and Mr. V. Shyam, along with senior counsellors Mr. J. Sujith and Mr. M. Siddhartha. Ms. B. Jagathi explained various opportunities for pursuing higher education in foreign countries and guided students on selecting suitable courses and universities based on their academic qualifications and career aspirations.

Mr.V.Shyam provided valuable information about overseas education, admission procedures, job opportunities, salary packages and part-time employment prospects. He highlighted the benefits of international education, including improved language and communication skills, cultural awareness, global networking, personality development, self-confidence, independence and better career opportunities. He also emphasized the importance of proper academic planning and developing professional skills to succeed in a global environment.

The program provided students with valuable insights into overseas education, admission requirements and international career prospects. It broadened their understanding of global opportunities and motivated them to improve their communication skills, develop confidence and plan their future careers effectively. The program was informative and beneficial to the participating students. The members of the Career Guidance and Placement Cell made the necessary arrangements, and students listened attentively to the resource persons. Overall, the program successfully created awareness about international higher education and encouraged students to explore wider academic and career opportunities.

Ms.B.Jagathi guiding students on pursuing higher education opportunities abroad.

Mr.V.Shyam enlightening students on overseas job opportunities and benefits.

Final B.Sc. & B.Com students listening attentively.
