Guest Lecture on “Importance of Natural Products” on 17th August, 2026 Organized by Department of Chemistry(UG & PG) & IQAC

The Department of Chemistry, Sir C.R. Reddy College for Women, Eluru, organized a guest lecture on “Importance of Natural Products” on 17 August 2026. Time : 11.00 A.M to 12.00 P.M for the students of II M.Sc. Organic Chemistry and III B.Sc. Major Chemistry.

Dr. Merugu Santha Kumari, Assistant Professor of Chemistry, DRG Government Degree College, Tadepalligudem, was the resource person. She delivered an informative presentation on “Terpenoids and Introduction and Structural Elucidation of Farnesol”, highlighting the significance of natural products and their relevance to modern chemical research.

The lecture provided students with valuable insights into the chemistry, structural elucidation and applications of natural products. The session was interactive and academically enriching.

The programme was attended by Principal G. Sarala, IQAC Coordinator P. Hima Bindu, and the faculty members of the Department of Chemistry. Students actively participated in the session and benefited from the expert interaction.

The guest lecture was a valuable academic enrichment programme that enhanced students understanding of natural products and their importance in chemistry and research.

Dr.M.Santha kumara delivered a guest lecture
on Importance on Natural products

Presenting Memento to the chief guest
