PERMISSION LETTER

Date: 11/02/2025.

To

The Principal,

Sir C R Reddy College For Women,

Eluru.

SUB: Request to grant permission to organize an “Awareness Programme on Proper Waste Segregation and Disposal in Three-Stream Recycling Bins” at Vatluru.

I am writing to request your kind permission to organize an **Awareness Programme on Proper Waste Segregation and Disposal in Three-Stream Recycling Bins** at Vatluru on 15/02/2025. This programme aims to educate the local community about the importance of waste segregation, responsible disposal practices, and environmental sustainability.

Thanking you madam

Yours faithfully,

B.Eswari.

AIMS:

- Promote Waste Segregation Awareness
- Encourage Responsible Waste Disposal
- Reduce Environmental Impact
- Foster a Clean and Green Environment

OBJECTIVES:

- Educate on Waste Segregation
- Demonstrate Proper Disposal Methods
- Reduce Waste Contamination
- Support National Cleanliness Initiatives
- Promote Eco-Friendly Practices

OUTCOMES:

- Participants will have a clear understanding of waste segregation and the proper use of three-stream recycling bins
- Students and the local community will adopt better waste disposal habits, reducing the mixing of waste and promoting responsible waste management.
- Participants will gain practical skills in waste sorting, handling, and promoting eco-friendly behaviors within their homes and communities.
- The programme will instill a sense of responsibility for the environment, leading to sustained changes in waste management habits.

Brief Note

On February 15, 2025, a group of NSS students, accompanied by their faculty members, visited the nearby village of Vatluru to conduct an awareness programme on the importance of **Proper Waste Segregation and Disposal In Three Stream Recycling Bins**. The focus of the session was to educate the local community on the benefits of utilizing Three-Stream Recycling Bins, promoting better waste management practices for a cleaner and more sustainable environment.

The event included a detailed demonstration on how to segregate waste into three categories: Wet Waste, Dry Waste, and E-Waste, emphasizing the importance of proper disposal for both environmental health and community well-being. The students engaged with the villagers, answering their questions and providing informative materials on maintaining effective recycling systems.

This initiative reflects the NSS team's commitment to fostering awareness and sustainable practices in local communities, empowering residents to take actionable steps towards a cleaner, greener future.

REPORT:

The NSS Advisory committee of Sir C.R.Reddy College For Women,Eluru organized an **Awareness Programme on Proper Waste Segregation and Disposal in Three-Stream Recycling Bins at Vatluru on 15/02/2025**. The aim was to educate students and the local community about the importance of waste segregation and responsible disposal methods. The event included informative sessions, practical demonstrations, and a community cleanup drive. NSS volunteers and community members actively participated, promoting sustainable waste management practices. The programme successfully increased awareness, encouraged proper waste segregation, and fostered community involvement in keeping the environment clean. The initiative was well-received, and participants expressed their willingness to adopt these practices in their daily lives.

The event witnessed enthusiastic participation from NSS volunteers, faculty members, and local residents. The programme successfully raised awareness about proper waste management, reduced waste contamination, and encouraged long-term behavioral changes toward a cleaner and greener environment. The NSS Unit plans to conduct similar programmes in the future to continue promoting environmental awareness and community welfare.
