### Report :

NSS was formally launched on 24<sup>th</sup>/09/1960, the birth centenary year of the father of the nation. Therefore 24<sup>th</sup> sep is celebrated every year as NSS day with appropriate programmes and activities.

The National Service Scheme was started to establish as meaningful linkage between the compus and the community. Mahatma Gandhi the father of the Nation, had recognized that the country could not progress In a desired direction until the student youth were motivated to work for the upliftment of the villages/community. For Gandhi ji the villages, where majority of the population lived, represent the country i.e. India. Therefore, for the national reconstructin and national resurgence it was deemed fit that he students and teachers should be properly sensitized and utilized for strengthening the Indian society as a whole with particular emphasis on rural community. Therefore, student youth, teachers and the community are considered the three basic components of the National service scheme.
