Green Campus – Clean Campus

Aims :

1. To make a benchmark for others about planting and cleanness.
2. To make our community green and clean.
3. To reduce temperature and increase humidity.
4. To reduce noise pollution to the neighboring household population.
5. To beautify the areas for scenic beauty.

Objectives :

The primary objective of the tree plantation program was to enhance green cover, promote environmental awareness, and engage the community in fostering a sustainable ecosystem. The initiative aligned with the NSS motto of “NOT ME, BUT YOU”, emphasizing collective responsibility for societal well-being.

Outcomes :

- Clean the air
- Reduce greenhouse gases
- Reduce soil erosion
- Protect the ozone layer
- Prevent water pollution
- Conserve energy
- Provide habitat
- Protect the ecosystem
- Trees provide economic opportunities

BRIEF NOTE :

The NSS unit of our college undertook a commendable Tree Plantation Program aimed at contributing to environmental sustainability. The initiative took place on 5/09/24 at Botanical garden of Sir C R Reddy College For Women, Eluru, and it garnered active participation from NSS volunteers, Extension activity cell members and UBA team.

The NSS team collaborated with local environmental organizations to identify suitable species of trees for the plantation, NSS volunteers actively engaged in the procurement, transportation, and planting of Indigenous saplings. Nearly 100 saplings like (Mango, Taiwan Guava, Neem, Wood Apple, Jamun, Custard Apple, Saffodilla, Orange, Banana, Banyan etc).

REPORT

The NSS unit of our college undertook a commendable Tree Plantation Program aimed at contributing to environmental sustainability. The initiative took place on 5/09/24 at Botanical garden of Sir C R Reddy College For Women, Eluru, and it garnered active participation NSS volunteers, Extension activity cell members and UBA team.

The NSS team collaborated with local environmental organizations to identify suitable species of trees for the plantation, NSS volunteers actively engaged in the procurement, transportation, and planting of Indigenous saplings. Nearly 100 saplings like (Mango, Taiwan Guava, Neem, Wood Apple, Jamun, Custard Apple, Saffodilla, Orange, Banana, Banyan etc).

Smt. G. Sarala, principal took the initiative in plantation. Smt. B. Eswari, NSS coordinator, Smt. Jyothi, UBA coordinator, Sri. P. Praveen and some other faculty members participated actively.

The NSS unit initiated a follow-up plan to ensure the survival and growth of the planted saplings. Regular watering schedules and periodic check-ups were organized to monitor the growth of the trees.

On the whole the NSS Tree Plantation program exemplifies the commitment of our college community to environmental conservation. It not only contributed to the beautification of the college landscape but also served as a catalyst for fostering a sense of environmental responsibility.

The success of this 'GREEN CAMPUS-CLEAN CAMPUS' initiative encourages the NSS unit to continue engaging in such useful things for the betterment of students and planet.
